Loveland Living Planet Aquarium thanks sponsors, donors

The Loveland Living Planet Aquarium is hosting a VIP Party Saturday evening to thank our longtime supporters and generous donors. Without the support of Draper City, the state of Utah, and corporate, private and individual donors, this incredible facility would not have been built.

A special ribbon cutting will be held in front of the Aquarium's NOAA (National Oceanic and Atmospheric Administration) vessel at 8:00pm. Utah Governor Gary Herbert, Congressman Jim Matheson and Congressman Jason Chaffetz will attend, along with Draper Mayor Troy Walker, Jim Loveland, and of course Founder and CEO Brent Andersen. Fox 13's Bob Evans will MC the ribbon cutting ceremony.

We invite the media to come celebrate with us as we prepare to open our doors to the public. Having an aquarium in the desert state of Utah is a quite an accomplishment. The Loveland Living Planet Aquarium will not only be a fun and educational adventure in Utah, but also a tourist attraction nationwide.
