Aquarium's River Otter Triplets Celebrate 5th Birthday!

You may remember when our playful River otter brothers arrived at The Living Planet Aquarium in 2013. Since then they have gained enormous popularity and continue to bring smiles to our guests each day with their outgoing personalities. Tomorrow, March 5, 2015, these otters will be celebrating their 5th birthday! Join the aquarium team and guests as we host a special birthday party for Otis, Oliver, and Oscar.

Festivities will begin at 3:30pm as a member of our husbandry team delivers a special ice cake stacked with tasty treats for the otters to enjoy. Guests will be able to sign the oversized birthday card and enjoy Otter Pops during the celebration as well.

The three male river otters came to us from the Long Island Aquarium in Riverhead, NY where they were born. The North American River Otter Exhibit has been made possible by the George S. and Dolores Doré Eccles Foundation.

We invite the media to come cover the birthday celebration.
