## Aquarium's River Otter Triplets Celebrate 6<sup>th</sup> Birthday!

Loveland Living Planet Aquarium's North American river otter brothers are celebrating their 6<sup>th</sup> birthday on Saturday, March 5th. Oscar, Oliver, and Otis are some of the most popular residents at the Aquarium. They're like toddlers in a way: always active until nap time. These river otters love to swim and play in their naturalistic habitat.

Festivities will begin at 1:30pm as a member of our Animal Husbandry team delivers a special ice cake stacked with tasty treats for the otters to enjoy. Guests will also be able to sign an oversized birthday card for them.

The otters first arrived at the Aquarium in January 2012 from the Long Island Aquarium in Riverhead, NY. River otters are native to Utah, and Division of Wildlife Resources officials reintroduced otters to the Provo River in 2011. They are also found in the Green, Strawberry, Duchesne, and Escalante Rivers.

The North American River Otter Exhibit has been made possible by the George S. and Dolores Doré Eccles Foundation. We invite the media to cover the birthday celebration.

**WHAT:** River Otter Triplets Celebrate 6<sup>th</sup> Birthday!

**WHEN:** Saturday, March 5, 2016 at 1:30pm (arrive just before to get the best video)

**WHERE:** River otter exhibit in the Discover Utah gallery  
Loveland Living Planet Aquarium  
12033 S. Lone Peak Parkway, Draper, UT 84020

About the Loveland Living Planet Aquarium

The Aquarium is a tax-exempt 501(c)(3) nonprofit organization. The Aquarium's mission is to inspire people to explore, discover and learn about Earth's diverse ecosystems. Advance tickets and memberships may be purchased online at [www.thelivingplanet.com](http://www.thelivingplanet.com). Ticket sales help support the Aquarium's mission. The Loveland Living Planet Aquarium is located at 12033 South Lone Peak Parkway in Draper, Utah.
