Meet Oscar, Oliver, and Otis, The Aquarium's Newly Named Otter Brothers

Sandy, UT (April 19, 2012) – The Living Planet Aquarium's newest residents are nameless no more! After nearly 1,500 entries in the Aquarium's river otters naming contest, "Oscar, Oliver, and Otis", one of 5 sets of names from which to chose, won by more than 42%.

The otters aren't the only ones walking away from the contest with something new. From the winning entries, a random winner was drawn: Kelli Pringle, of Morgan, UT. She wins a \$50 Visa gift card, a \$50 gift card to The Living Planet Aquarium, 6 admission tickets to the Aquarium and a chance for her and five of her closest friends to go behind-the-scenes to witness an otter feeding with an Aquarium biologist.

The River Otters Naming Contest began March 15 and ended on April 15 at 6:30pm. Oscar, Oliver, and Otis are available for public viewing daily between 10 a.m. and 6 p.m., though they may be off exhibit periodically depending on their needs or for training purposes. The river otter exhibit, which is sponsored by Dolores S. Doré Eccles Foundation, is a permanent exhibit located in the Discover Utah Gallery at The Living Planet Aquarium.
