## Santa Claus Dives with the Sharks at LLPA!

Santa Claus is busy this time of year, but he loves visiting with the animals and guests at the Loveland Living Planet Aquarium! Santa will be diving in the 300,000 gallon shark tank at the Aquarium on Saturday, December 13 at 11am, and the media is invited to cover the special visit. Santa will help feed the fish in the tank, and swim with the 28 different sharks, including Nurse sharks, Blacktip sharks, Whitetip sharks, Sandbar sharks and Zebra sharks.

The event is all part of the “Festival of the Seas,” a month-long holiday celebration at the Aquarium. The festival includes scavenger hunts and arts and crafts for kids, the Santa dive, and photos with Santa in the penguin exhibit on the weekends.

“We’re so excited to have Santa visit the new Loveland Living Planet Aquarium. Santa is a great scuba diver and the sharks, stingrays and sea turtles all love to swim with him,” said Suzy Broadbent, Director of Marketing at the Aquarium.

Santa will also dive with the sharks on Sunday the 14<sup>th</sup>, Saturday the 20<sup>th</sup>, and Sunday the 21<sup>st</sup> at 11am. For more “Festival of the Seas” events, check the Loveland Living Planet Aquarium calendar page [here](#).

The Aquarium has more fun events coming up, including “Noon Year’s Eve” on December 31. There will be a big balloon drop in the lobby at noon to celebrate the New Year a little early!
