New Play & Party Center: “Tuki’s Island” opens at Loveland Living Planet Aquarium

It’s the latest and greatest place to throw a birthday party! Tuki’s Island: Play & Party Center opens to the public on Friday, August 29.

Tuki’s Island is a one-of-a-kind birthday party venue for children ages 2 to 12. They get to explore the new play center, where they can climb, slide, and make their way through obstacle courses. Each party gets pizza and drinks and their own private party room.

“The play center is not only a perfect place for birthday parties, but it’s also a fun area for kids to explore when they visit the aquarium,” said Suzy Broadbent, Marketing Director. “Parents can purchase one hour time slots for their kids to play and run around in this unique indoor play place.”

The aquarium invites news media to come try out the play center themselves! Make sure to bring or wear socks!
