

DIY SLOTH MASK

DIY SLOTH MASK

Step 1: Gather supplies

- 1 8inx10in sheet of light brown felt
- 1 8inx10in sheet of dark brown felt
- 1 8inx10in sheet of black felt
- 2 8inx10in sheets of beige felt
- Scissors
- Fabric glue
- Ribbon

Step 2: Print out attached pattern sheets

Step 3: Cut out patterns from paper and trace onto matching felt

Step 4: Cut out felt. You will end up with:

- 1 Face piece (from light brown felt)
- 1 Nose fur piece (from beige felt)
- 1 Nose piece (from black felt)
- 2 Eye fur pieces (from beige felt)
- 2 Eye pieces (from dark brown felt)

Step 5: Cut 2 piece of ribbon at 10 inches each

Step 6: Glue one piece of ribbon onto the either side of the *face piece*.

- Glue the ribbon to the front, about 1/2 inch in from the sides

Step 7: Line up the *eye fur pieces* with the *face piece* and glue into place

- It's easiest to start with lining up the eye holes, then make sure the edges line up as well.

Step 8: Center the *nose fur piece* between the *eye fur pieces* and glue into place.

Step 9: Center the *nose piece* at the bottom of the *nose fur piece* and glue into place.

Step 10: Center the *eye pieces* and glue into place

- Start with centering them over the eye holes, then make sure the edges line up with the edge of the mask

Step 11: Allow mask to dry completely

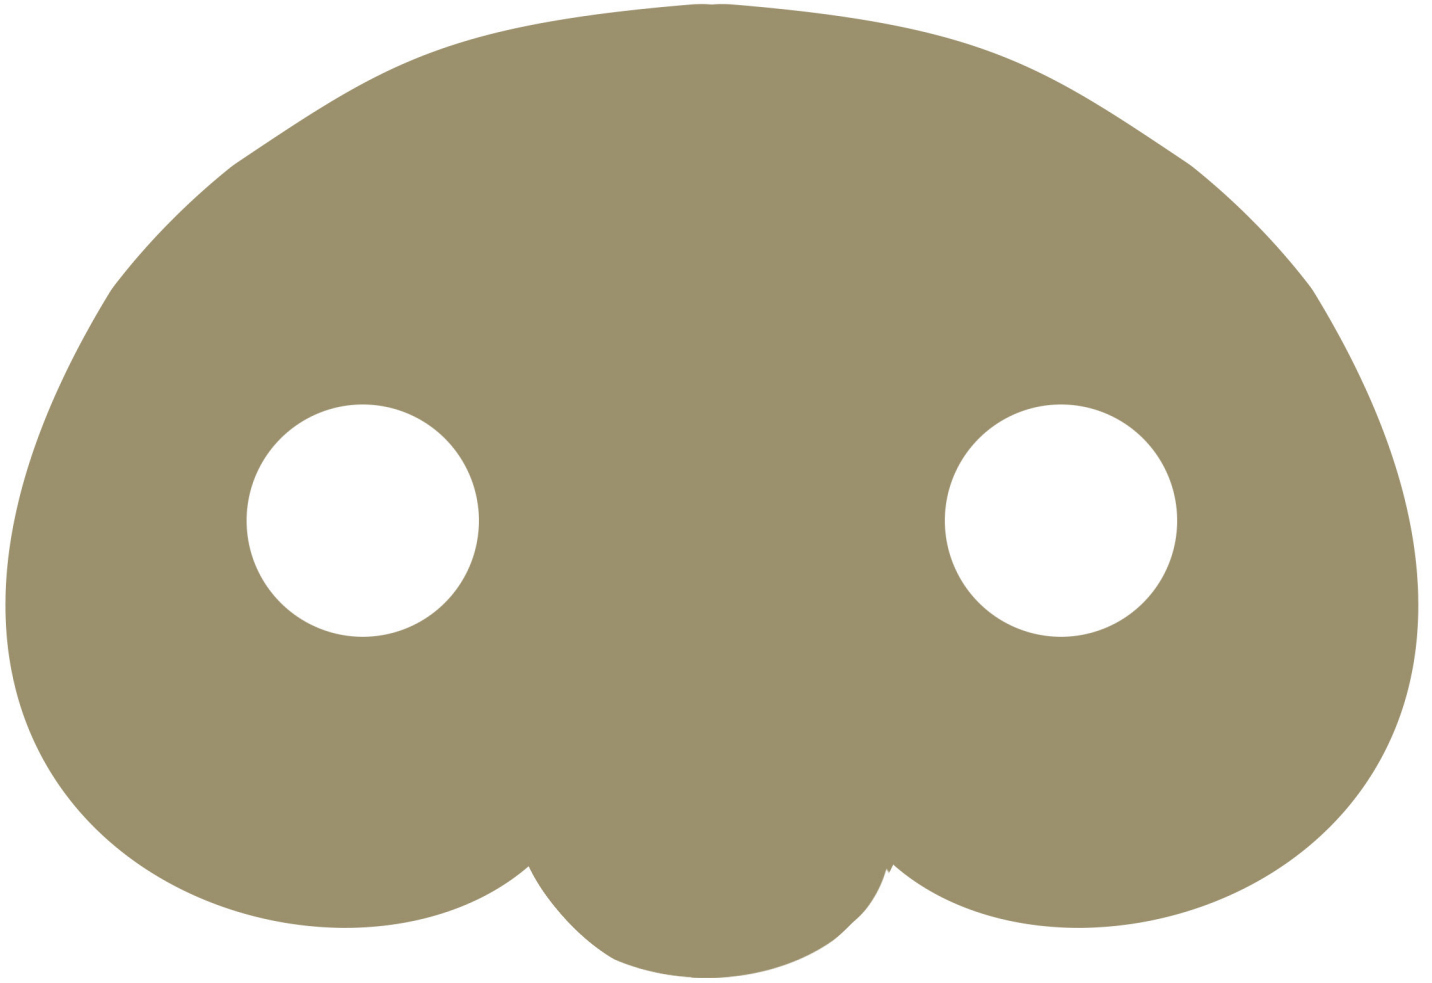

Step 12: Put on your mask and Enjoy!
